

## Birchwood School Optional Summer Reading and Math Activities for Preschool 2013

**Summer Reading:** I encourage all of the preschooler families to join the summer reading program at their local library. You will get the chance to select books, fill out a library reading log, and earn prizes. In addition to the library reading log, please fill out the summer reading log below and bring it on the first day of school in August.

There are many libraries to choose from, including:

**Summer Math:** Preschool Birchwood "wood math" books will be available to purchase in the office if you would like some extra work for the summer. I will let you know when they are ready to pick up and what the cost will be for these workbooks.

*Enjoy your summer and cultivate the habit of reading! We will see you all on August 21.*
