Re: Required Immunizations Prior to Entry into the Seventh Grade

1. One dose of Tdap (tetanus, diphtheria, acellular pertussis, adolescent and adult formulation) or Td (tetanus and diphtheria, adult) vaccine. This dose is intended to be administered as a booster dose for students who have completed the required doses for the initial series of DtaP/DT/Td vaccine.
2. One dose of MCV4 Meningococcal Grade 7 or meningococcal (serogroup A, C, W, and Y) vaccine.

Please arrange for your child to have these immunizations through your pediatrician or the health department. Verification of the immunizations must be sent to school using this form or other appropriate documentation (i.e. copy of immunization record).
