

Birchwood School of Hawken

Reminder to Parents of 7th and 8th Graders

Back-to-School Night Wednesday evening, September 13 at 7 pm

- Mr. and Mrs. Debelak will begin the evening by discussing important developmental and academic issues related to seventh and eighth grade students. This talk will help parents focus their energies to what matters most.
- Seventh and eighth grade teachers will describe major objectives in each subject and how parents can collaborate for student success. They will also detail our communication system to strengthen home-school collaboration. A parent will provide an overview of the functions and activities of our parent group and pass out surveys that will enable every parent to choose areas to volunteer this year.
- Following the teachers' presentation, Mr. and Mrs. Debelak will hold an open forum with parents to explore the question of choosing a high school, and where the Hawken Upper School admissions fits into this discussion.

We hope everyone can attend!
